

## Application Guidelines

- Use a separate application for each pet surgery. You may request additional applications by calling (253) 383-2733, ext. 5838.
- The pet owner is responsible for all costs over those allowed by the Humane Society. This project provides funds for spay or neuter surgery. Please discuss any further costs or procedures with your veterinarian prior to surgery.
- The Humane Society Spay/Neuter Project is only available to residents of Pierce County age 18 and older.
- If you have any questions about this application or the Humane Society Spay/Neuter Project, please call the Humane Society at (253) 284-5857.
- **Limit three surgeries per household.**

The Humane Society Spay/Neuter Project is made possible through generous donations from the community and local veterinarians who allow this fund to provide surgeries at little or no cost to low-income Pierce County residents.

Thank you to our compassionate community veterinarians, and the generous Humane Society members and donors who have made this program possible.
