The Humane Society's Walk for Homeless Pets
July 23, 2011 - FORT STEILACOOM PARK

Dog-A-Thon Fundraising Ideas

- Make a button of your pet as a conversation starter. When someone comments , ask if he or she is interested in sponsoring you in the Walk for Homeless Animals.
- Have a bake sale, with the proceeds going towards your sponsorship.
- Place a candy jar on your desk, with donations going towards your sponsorship.
- Wash a dog for donation.
- Ask friends and relatives to pass your pledge form around at their bridge clubs, churches, and social events (be sure and attach a photo of your pet).
- Take a pledge form to the bus stop, daycare, or school and ask for pledges.
- Take orders and make sack lunches ("Doggie Bags") for your co-workers. Your "profit" is pledges towards your sponsorship (try the same idea with daily latte orders for colleagues).
- Use this event to help teach your children about the importance of supporting worthwhile causes. Every time he or she accomplishes a chore, contribute a dollar toward their pledges.
- Host a neighborhood party with a pledge as a "cover charge".
- Use your talents! Bake a loaf of bread for every team member raising more than \$75 in pledges.
- Have donors sign your Dog-A-Thon shirt and wear it to the event.
