

# DOG-A-THON 21st Annual 2011

The Humane Society's Walk for Homeless Pets  
July 23, 2011 - FORT STEILACOOM PARK

## Vendor Booth Information

Dear Compassionate Community Leader:

Please join us for our 21<sup>st</sup> annual Dog-A-Thon, one of the largest dog walks for homeless pets in the state of Washington! Once again we are hoping that local businesses will be a part of the festivities as we raise money and awareness for our community's homeless animals.

This year's Dog-A-Thon will be held on Saturday, July 23, 2011 at Fort Steilacoom Park in Lakewood. Last year, more than 2,500 people joined us as participants and supporters. And we expect even more this year. This event will continue to be well promoted with television ads, newspaper ads, radio spots, several bulk mailings, and good old-fashioned community outreach. And, of course, the animals need our support more than ever!

The vendor area will be located along the perimeter of the event grounds to take advantage of the most participant foot traffic. Each vendor space will be 10' x 10'. We encourage vendors to bring signage, canopy, table, chairs and any additional equipment to best display your product and/or services. Electricity will not be available.

Vendor booth spaces are being offered at \$200 if your Vendor Application and payment are postmarked by **April 1, 2011!** If you would like for the Humane Society to provide a canopy, table, and chairs in addition to the booth space, please make sure and indicate this on your application and include an additional \$50. All monies generated through this event are dedicated to helping our community's homeless animals. Space is limited, so reserve yours today!

Please join us as we welcome our neighbors and work together to create a compassionate community and continue counting down to zero euthanasia of healthy adoptable pets!

Warmest regards,
