

## Pet-Friendly Hotel Accommodations

There are thousands of hotels, motels, and inns across the United States that accept guests with pets. Most hotels set their own policies, so it is important to call ahead to ask if pets are permitted, and if there is a size limit and/or extra charge.

As you and your pet head off together, it's important for you to do your part to ensure that dogs and cats will continue to be welcomed as traveling companions. Obey local animal control ordinances, keep your animal under control at all times, and be thoughtful and courteous to other travelers.
